

**AUDITION AND
ADMISSION
REQUIREMENTS
2010-2011**

Audition Information

Auditions are required for all students who plan on majoring or minoring in music at UAB. Saturday audition dates for students entering in Fall 2010:

February 20, 2010

March 27, 2010

April 24, 2010

Additional audition dates may be scheduled during the week if you are interested in spending the day on campus. All auditions will be held in the Hulsey Center. An accompanist will be provided for you if needed. Under no circumstances will taped accompaniment or photocopied music be allowed in the audition.

After the audition, students auditioning to be a music major will be informed of one of three outcomes:

- 1) Admission is granted and they may enroll as a Music Major;
- 2) Admission is conditional in which case they are admitted into the Pre-Music program and have one year to gain full admission as a Music Major;
- 3) Admission is denied.

In the case of number 2 above, students must re-audition in order to gain full admission as a Music Major. In the event they are not accepted, they will be advised to seek another major within the University. Students auditioning for admission as a Music Minor will either be fully admitted or denied. Once fully or conditionally admitted to the Department of Music, students will work closely with a music faculty advisor who will monitor their progress and advise in the selection of appropriate courses. Admission to UAB does not guarantee admission to the Department of Music.

The following pages list the specific requirements for auditioning on each instrument. Students wishing to **Major** in music should use the listed repertoire as a guideline for what to prepare for their audition. All works listed are only suggested pieces. Standard works of comparable quality are acceptable. Students wishing to **Minor** in music will be expected to prepare the same technical material, but need only to prepare one repertoire piece.

Scholarships

There are two types of music scholarships at UAB: **Music Major/Minor** scholarships and **Ensemble** scholarships. All students auditioning to be accepted as a Music Major/Minor are automatically eligible for all available scholarships. No additional audition is required. Ensemble scholarships are awarded to students in any major for participation in bands or choirs. Auditions may be held at any time but the prospective student must schedule an audition.

Audition Information

Music Technology, Guitar, Piano, Voice

All works listed are only suggested pieces. Any standard work of comparable quality is acceptable.

Music Technology:

Perform two short works which represent your abilities on your major instrument. One of the works must be classical; the other may be in any style.

To be considered for music technology scholarships, in addition to your application and resume, please include the following materials:

- 1) A paragraph describing any previous experience in music technology
- 2) A paragraph describing goals in the area of music technology
- 3) If available, a CD or cassette recording of examples of your work to date

All music technology materials must be received no later than the application deadline.

Guitar:

Scales - major and minor keys - two or three octaves
Knowledge of basic chords and bar chords (M, m, 7, m7)
Any etudes from Sor, Carcassi, Carruli, or Giuliani
One fingered classical piece
Sightreading
